- E. The County will maintain existing payroll slots and provide one additional payroll deduction slot to all PBA bargaining unit members to be used as permitted by law and determined by the Association.

ARTICLE 3 GRIEVANCE PROCEDURE

- A. In a mutual effort to provide harmonious working relationships between the parties to the Agreement, it is agreed to and understood by both parties that the following shall be the procedure for the resolution of grievances between the parties arising from terms and conditions of employment or from the interpretation or application of this Agreement.
- B. A grievance shall be defined as any dispute arising concerning the interpretation or application of this Agreement or with respect to the terms and conditions of employment except as otherwise provided in this Article. Each grievance when filed should state with particularity the alleged violation of the contract claimed, the date(s) upon which the violation occurred, the facts of such violation, the Article(s) of the contract violated and the remedy sought by the grievant.
- C. No management prerogative reserved solely to the authority of the County by the terms of this Agreement shall be made the subject of a grievance; however, the exercise of such rights shall not preclude employees or their representatives from raising grievances should decisions on these matters have the practical consequence of violating the terms and conditions of this collective bargaining agreement in force or any civil or career service regulation.
- D. The parties acknowledge that as a principle of interpretation employees are obligated to work as directed while grievances are pending.

- E. Reprimands, formal and informal counseling, position classifications, classification appeal, job descriptions, performance evaluation appeals, disability determinations, and similar matters for which other appellate procedures are currently provided in the County Code of Miami-Dade County, or other provisions of this Agreement, are not subject to review as grievances. However, refusal to (1) process an application or appeal, (2) follow time limits, (3) permit an employee a right to representation, or (4) denial of a right to receive a reply, are expressly grievable.
- F. The Association has the inherent right to bring a grievance action in its own name and on its own behalf concerning disputes relating to contract interpretation and application. Such a grievance will be filed directly at Step 4.
- G. The following procedure shall apply:

Step 1: The aggrieved employee, with or without the Association representative, shall discuss the grievance or dispute with the immediate supervisor within fourteen (14) calendar days of the occurrence or knowledge of the matter, and the supervisor shall respond to the parties presenting the grievance as soon as possible but no later than ten (10) calendar days following its submission.

Step 2: If, after a thorough discussion with the immediate supervisor, a grievance has not been satisfactorily resolved, the Association representative and/or the aggrieved employee may appeal the grievance or dispute to the intermediate supervisor in writing within seven (7) calendar days after the immediate supervisor's response is due. The intermediate supervisor shall respond in writing within seven (7) calendar days.

Step 3: If the grievance has not been satisfactorily resolved in Step 2, the Association representative and/or the aggrieved employee may appeal the grievance to the Head of the Division concerned within seven (7) calendar days after the intermediate supervisor's response is due. The Head of the Division shall respond in writing within seven (7) calendar days to the Association and the grievant.

Step 4: If the grievance has not been satisfactorily resolved in Step 3, hereof, the employee and/or Association representative may present the written appeal to the Director of the Department within ten (10) calendar days. The Director of the Department shall respond in writing to the employee, with a copy to the Association, within ten (10) calendar days of the receipt in Step 3. Nothing shall prevent the parties from agreeing to submit initial grievances to any step deemed appropriate in order to expedite a determination, provided that at least one grievance step shall always precede arbitration. Such request shall be made to the Director of Labor Management and Compensation. The time limits set forth above may be waived only by mutual agreement in writing between the parties.

The time limits set forth in each prior step may be extended once for a similar period of days at the request of either party. If the Association or the grievant does not pursue a grievance to the next indicated step within the time limits as provided therein, the grievance will be considered dropped with prejudice. If the County does not reply to a grievance at any step within the time limits set forth herein, the grievance shall automatically proceed to the next step.

Prior to scheduling arbitration for an unresolved grievance either party may request a labor management committee meeting to discuss a pending grievance which has not been resolved through Step 4.

Step 5: Arbitration. If the decision of the Department Director has not satisfactorily resolved the grievance, the Association may request arbitration in writing to the Director of Labor Management and Compensation no later than fifteen (15) working days after the rendering of such decision by the Department Director. At the arbitration hearing the parties shall be accompanied by their representatives as determined by the arbitrator. Both sides may be represented by legal counsel. The arbitrator shall have access to all written documents and statements pertaining to the grievance. The arbitrator shall render his decision no later than thirty (30) days after the conclusion of the final hearing. Copies of the findings of the arbitrator, made in accordance with the jurisdictional authority under this Agreement, shall be furnished to both parties and shall be final and binding on both parties.

Appointment of Arbitrator: The arbitrator shall be selected and shall conduct the arbitration proceedings in accordance with the rules established by the American Arbitration Association.

Powers of Arbitrator: The arbitrator's decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted and appropriate remedies. The arbitrator shall limit his decisions to the application and interpretation of the provisions of this Agreement and shall have no authority to change, amend, add to, subtract from, ignore, modify, nullify or otherwise alter or supplement this Agreement or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration. The award of the arbitrator shall be final and binding when made in accordance with the jurisdiction and authority of this provision and this Agreement.

Witnesses and Expenses: Upon agreement of the parties, there shall be a certified court reporter at the hearing. The parties shall bear equally the expenses and fees of the mutually agreed upon court reporter, the arbitrator and all other expenses connected with a hearing. Each party shall bear the expense of its own witnesses, representatives, attorneys and all other individual expenses. Employees required to testify will be made available; however, whenever possible, they will be placed on-call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant or are directly required to assist the principal P.B.A. Representative in the conduct of the case. In class grievances, the class shall be represented by the P.B.A. President. The intent of the parties is to minimize time lost from work. The officers or their counsel shall have the right to confront and question all witnesses under oath. The Association and the County shall have the right of discovery and other procedural rights in accordance with the Florida Rules of Civil Procedure.

ARTICLE 4 CLASSIFICATION APPEAL

- A. Whenever an employee has reason to believe they are misclassified, he/she may apply for a review of their classification, in writing, to their immediate supervisor. Such request, including a job description prepared by the employee and commented upon by the Department shall be forwarded to the Compensation Section by the employee's department within twenty (20) working days of receipt of request. Within thirty (30) calendar days of receipt of the request for reclassification, the Compensation Section shall render a decision in writing.
